

## Extreme and InsideOut

Extreme (middle school) and InsideOut (high school) will be our regularly scheduled events for students. They are the places to experience great worship, to get in-depth teaching, and to get connected in small groups.

## Student Small Groups

November 2007

Small groups are the heart of the student ministry because life change happens best in relationships. In small groups, students build deep friendships with other students and leaders, discuss what it means to have a relationship with Jesus, and have fun together.

## Student Retreats

June 2008

Weekend retreats and summer camps are an amazing time to pull away from the routine of life and to take a look at who Jesus is in a fun and meaningful way with friends. There are retreats scheduled for the spring and fall of 2008, and we are planning to go to camp in the summer of 2008 for the first time.

## GroupLink

November 2007

GroupLink is a two-hour event where you will connect with others and form a community group. Community groups are small groups of six married couples or eight individuals of the same gender that meet weekly in someone's home for fellowship, Bible study, and prayer.

## KidVenture—March 2008

KidVenture is a huge party that we throw a few times a year for UpStreet's small groups and their leaders. It could be Karaoke, bowling, jump-n-slide, or other events that help connect leaders and kids in a great social environment. Watch the website for these over-the-top, hilarious, wacky, crazy, fun events kids won't want to miss.

## Fusion - September 2008

Fusion is an environment where single adults come to build authentic friendships and get connected. We'll meet on the first and third Sunday night of each month in various locations around the Jacksonville area.

## KidStuf

Fall 2008

KidStuf is where kids bring their parents to a 45-minute show that uses music, drama, storytelling, video, lights, and sound to teach character and faith by emphasizing a monthly value. KidStuf is value-driven, user-friendly, creatively wired, family-centered, kid-focused, and volunteer-fueled.

## Kaos and Rush Hour

March 2008

Kaos (middle school) and Rush Hour (high school) are ever-changing environments designed for our core students to bring their friends. You'll see these events show up in the form of coffee houses, concerts, parties, and other formats that help students introduce their friends to our ministry.
